Town Meeting Resumes Saturday 1:30 p.m.

After about eight hours of deliberation the first session of the Annual Town Meeting of 1971 closed at 11:03 p.m. last Saturday, with about two actual hours of work done. 694 voters attended the afternoon session and 539 the evening session.

The meeting dragged on all day, with only about forty voters doing the talking. Much of what was said was on a personal vengeance attitude, by some of those who spoke.

Three cuts were made, in the budget, by a Town Meeting that wanted to be economy minded. All three were on recommendation of town officials, and, except for those three cuts, and in spite of all the talk, the budget was sustained in all other aspects.

A lot of time was spent by those who did the talking from the floor attempting to get information on pay raises, and, after several explanations from the head table, it was determined that all pay raises came under one item, to be found on page 10 of the budget, which presumably will be discussed in next Saturday's session.

A false impression may have been given on this point - for it was not said that pay raises for the school department are in this item too. Any raises for the school department are to be found in the school department budget, which has not been laid out in a line-by-line budget, as has the rest of the town.

WHAT THE TOWN MEETING DID

Swapped an assistant to Professor Eliot, Planning Board consultant, for three baseball umpires.

Reduced the Town Meeting budget by \$4,000, making it impossible (or nearly so) to hold special town meetings for the purpose of voting for a new High School.

Reduced the Budget of the Board of Registrars by \$2,222, on census taking, work that had been ordered done by the Secretary of State, and having been completed, cannot now be paid for.

Celebrate Fiftieth

MR. AND MRS. CHARLES SHURTLEFF: Of 616 Woburn Street, cut the first piece of their Golden Anniversary Cake at a recent celebration at the home of their son, Donald in Lexington.

The couple was married on February 26th, 1921 in Hanover, Mass.

Mr. and Mrs. Charles Shurtleff, 616 Woburn Street, formerly of Hanover, celebrated their 50th anniversary at a party given by their children at the home of their son Donald of Lexington.

The Shurtleffs were married at the home of her parents, Mr. and Mrs. Lucius Osborne in Rockland, on February 26th, 1921 by the Rev. Edwin H. Gibson of the Hanover Congregational Church. They were attended by the groom's sister, Ellen Shurtleff Gray of Hyattsville, Md., and the bride's brother, Walter Osborne, formerly of Bryantville, Mass.

Mr. and Mrs. Shurtleff retired and moved to Wilmington in 1961. He was employed by Clark and Babbitt Industries, Calo Division. Mrs. Shurtleff was a member of the School Lunch Program in Hanover.

Their children are: Mrs. Francis Hassett, of Westfield, N.J.; Mrs. Daniel Lowe, of Washington, D.C.; Russell Shurtleff of Wilmington, and Donald Shurtleff of

Lexington. There are nine grandchildren and two great grandchildren.

A buffet luncheon was served by Martha Shurtleff. The table centerpiece was a large bouquet of flowers and fruit combined with golden candles. There was a beautiful three tiered 50th anniversary cake.

Guests were present from: Hanover, Scituate, Lawrence, Marshfield, Lexington, Quincy and Brookline, Mass.; New Hampshire, Westfield, N.J., Washington, D.C., and New Haven, Conn. Also listed among the guests were several friends and neighbors from Wilmington.

The guest book was in charge of their youngest grandson, Mark Shurtleff of Lexington.

Don't Hit the Panic Button

Parliamentary Procedure

A fair proportion of those who attended the Town Meeting last Saturday were attending their first. This was quite evident by their quiet bewilderment. They, as voters, were interested in economy, but they also want to "do right by the town". The only time they cut appropriations was when some person in authority assured them that it was OK to do so.

The attempt to "nickel and dime" the Town Meeting failed. Three or four persons wasted a lot of time trying to show that they could exert political leadership, and failed. Another person, of course, was indulging in his annual bray.

It would be of help if there were some printed leaflets which tell the voter how to proceed, in parliamentary debate. Once upon a time the League of Women Voters had such a booklet, but probably there are no more. Possibly the Moderator may find something of this nature, for distribution to new voters Saturday.

One suggestion which might be of benefit: Long winded debaters and people pursuing personal vendettas can be shut off. One moves to "Close Debate", or "Move the Question". Such a motion is not debatable. It must be voted immediately. A majority vote prevails (if this column remembers correctly)

School Salaries

Salaries will be the big issue, Saturday afternoon, in the Town Meeting, and the first will come with the consideration of the School Committee budget.

If this column understands things correctly, the salaries of the teachers have been raised 10%.

There is no place in the printed budget for the voter to find this information. The School Committee doesn't give out this kind of information. It merely informs the voters how much they are to appropriate, and then tells them to vote it.

If the voter tries to cut the School Committee appropriation the town can be taken to court and fined. This has happened before, and every year one reads of some town or other having to go to court on just this issue. In Andover, on Monday, the Town cut the School Committee budget by \$117,000, but the cut had nothing to do with teachers' salaries. Perhaps there won't be a lawsuit, as a result.

Once upon a time the School Committee budget was on a line by line basis, as is the rest of the town budget, but the School Committee isn't willing to play the way the Selectmen and Town Manager will. School Committees in

Massachusetts are autocratic things, distain-ing the peasants who, by law, have to vote as dictated to.

Town Salaries

Unlike the autocrats of the School Department, the Selectmen and Town Manager have given the voters a glimpse into the budget for the regular employees, as distinguished from teachers, etc.

On page ten of the Finance Committee report is a line which shows that a total of the projected pay raises for town employees this year is \$83,000. The town is given an opportunity to discuss this, and to vote on it.

The question of course is: Is it fair to town employees to cut their pay, because they are subject to a democratic procedure, when the school department employees get a 10% increase by autocratic procedure?

Other than School Department, that line on Page 10 shows the increase of all Town Employees.

The sums arrived at are by union negotiation. The Town Manager has been talking with union negotiators now for several months - it is a difficult and trying task. Some departments have agreed to the new contract. One - the police department - as of a week ago, was unwilling to sign. Perhaps it has since.

The biggest increase in the town employees pay schedule is in the public buildings department. At the present time they are the lowest paid of all town employees.

The new contract calls for a nine percent increase this year, a five percent increase next year, and a four percent increase the third year. For what this column understands is the second biggest increase (Fire Department) the percentages are: Six the first year, and five for the second and third.

It will be noted that all the contracts are for three years. That means the TM will not have to be arguing with union negotiators for a few years, and maybe next year's Town Report can have something more than a picture of a sailing ship on the front page. The TM just didn't have the time to study making a nice town report this year.

They are both presently attending Wilmington High School. A fall wedding is planned.

THE TOWN DUMP

A STATEMENT BY CLARENCE SPINZOLA
OWNER AND OPERATOR

Last week the Town Meeting appropriated \$50,000 for the operation of the Town Dump for another year. For several years now I have been the operator and owner of the Wilmington Town Dump, and this appropriation means that I will continue.

I have been providing the Town of Wilmington with a trouble free dump at the lowest possible cost. The record speaks for itself. In these years there have been fewer complaints, fewer problems, and fewer calls to the Fire Department than in the single six-month period before the dump was re-located on my property.

It was necessary to increase the cost to the Town of operating the dump. During the past year a new No-Burning Law resulted in a tremendous increase in materials brought to the dump. The work-load at the dump was nearly tripled, but the cost to the town is only twice that of the previous years.

Every city and town has increasingly severe problems in their municipal dump. In places near to Wilmington the cost is three times that of Wilmington, and this in comparable towns. There are some communities which have problems that even money will not solve.

It is our intention to continue to operate a dump for the people of Wilmington with the best possible service at the lowest possible cost. It is felt that there will be no need for increasing the cost to the town in the next several years. Your co-operation will make this possible.

Sincerely

Clarence A. Spinazola

TOWN MEETING
From Front Page

Of those who did the talking there were two or three who seemed to have a political ax, which was being passed from one to another, in a sort of Tinkers to Evans to Chance play. They are friends of a selectman, and some of the points raised are similar to his actions in former years.

The Town Meeting refused to sustain the Town Manager when

he attempted to increase Selectman's Expenses from \$5,350 to \$12,350. The refusal came after an explanation that \$4000 would be needed to hire chairs for Special Town Meetings, and that there

would be a special town meeting for the School Department to present plans, not yet prepared for a new high school or an addition to the present one. The explanation

INSURANCE INSIGHTS

Automobile Insurance

The devil titters when a policy lapses.

To many people insurance means automobile insurance, so universally important is this field of protection.

Generally speaking, automobile policies include: Bodily injury liability. This coverage provides payment on the insured's behalf for any injuries to other persons, not the insured, while maintaining, owning or driving a car.

Property damage liability - This takes in payments for damage to the car due to collision or upset.

Comprehensive insurance - covers payments for damage due to fire, theft, broken glass, damage from hail, earthquake,

flood and other causes.

Medical payments - Covers expenses up to a stipulated amount for anyone injured while in your car in case of an accident, regardless of legal liability.

APPOINTED NOTARY PUBLIC

Frank S. Valletta, 25 Lexington Street, has been appointed as a Notary Public, Secretary of State John F.X. Davoren has announced.

Confirmation of the new appointment was made at a meeting of the Executive Council, following submission of the nomination by the governor.

The term of the Wilmington Notary Public will expire in seven years.

Grange Celebrates 64th Anniversary

Wilmington Grange No. 268 celebrated its 64th anniversary on Wednesday March 10th.

Following a covered dish supper, members and guests adjourned for an open meeting with Worthy Master, Jim Shine presiding.

State Speaker was Senator Ron MacKenzie who gave a most interesting talk and presented Wilmington Grange a certificate of congratulations from the State Senate.

Also on hand was Selectman James Meceli who addressed the group briefly.

Other guests recognized were: Pamona Representative, Mazie Rae of Winchester, Pamona Master, Jeannette Rocco, Janet Masie Master of Winchester Grange and Junior Grange Master, Tommy Desharnais.

Following the meeting, entertainment and a sing-along were enjoyed and refreshments were served.

Members and guests spent a most enjoyable evening and are looking forward with pleasure to their 65th anniversary.

The next regular meeting of the group will be held on March 24th. They would like to have some of their old friends on hand.

Thoughts on First Ten Hours, 1971 Town Meeting

Weren't those the most uncomfortable chairs we have been asked to occupy for that length of time? Since we spent so many hours haggling over dimes and nickles, we will now have to perch on them again next week. We will also have to pay for them: for the policemen and women, for the custodians, the public address system and the personell to operate it.....Have we been penny wise and pound foolish?

The Engineer vs. Mr. Clark

Mr. Clark is quite upset over a drainage problem in his area and it seems to be largely the fault of our engineer that Mr. Clark is getting his feet wet (so to speak). There is little deep regard between this writer and some of our town officials, but allow me to state here, that Mr. Clark's house was sitting in that swamp when he bought it! That swamp on West Street has been there for a long time. Now the gentleman seems to feel that Mr. Harding and the taxpayers should rush right down there and drain it for him.....We have older problems in other sections of town, some of which have been waiting for attention since before Mr. Clark's arrival here.

The Engineer vs. Mr. Lux

The attack upon our engineer by Mr. Lux has the distinct aroma of personal vengeance. Certainly Mr. Harding should have had his annual accounting prepared in time for its appearance in the Town Report!! What makes him different from our other department heads, all of whom seem to have complied with this regulation? It does, however seem a very picayune point upon which to base an all-out public attack!!

This "irate" taxpayer could "beat Mr. Harding over the head" to a point at which he will become an underdog. The people of this entire country have been known to "take up arms" for an underdog. Mr. Lux could end up defeating his own purpose. (He informed us at the close of Saturday's session that he intends, next week to move for reconsideration of the engineer's salary.)

Paul Lynch Won't Explain

Why should he try? If you will notice, there is nothing on the Finance Committee's Report to indicate to us, the taxpayers, what the department head asked for in the first place, or what figures he submitted with his budget. By the time these figures are chopped and chiseled by the Finance Committee and/or the Town Manager, it is entirely possible that the superintendent or chief (as the case may be) truly does not know just what the remaining sums are actually earmarked for....It is also possible that the Finance Committee members or the Town Manager would be better equipped to answer questions in this regard.....The saying, "ask the man who owns one" does not seem to apply in town government.

The TM on Veteran's Assistance

Again the writer is forced to agree with a town official...With Mr. Morris' terse reply to a young questioner regarding veteran's Assistance that, "Sir, this is not welfare, veterans do not receive welfare".....How true!! Anything our veterans get from us belongs to them.....fair and square!.....The writer has a distinct distrust of a man who

How to look for mortgage money and not find it.

By all means, go look for it yourself. Not all lending institutions are in the mortgage business. And in these days of tight money, not all of those that are have money to lend. But there is mortgage money available, if you know how to find it. That's where we come in. We're Realtors. We may know of a house for sale where you can assume the existing mortgage. Or a lending institution with money available. Or a private investor who's interested. In every case, we're pledged to a strict code of ethics. In your best interest. So use us to your best advantage. That's what we're here for.

Wavie Drew Honored

Mrs. Wavie Drew, veteran Selectman of Wilmington, was honored during the course of the Town Meeting last Saturday with the presentation of a scroll, in

her honor, composed by the Town Moderator, and presented by F. Bradford Morse, who of course is the Congressman from the 5th

Congressional District, flew up from Washington to make the presentation.

HOLDING A BOUQUET: Mrs. Wavie Drew leans forward to examine the scroll which has just been read by Congressman Brad Morse to the Town Meeting, as the Moderator, John Callan, smiles in the background. The tribute to Mrs. Drew almost, but not quite drew tears to her eyes.

WHEREAS, March 6, 1971, did complete 25 years of service by WAVIE M. DREW as Selectwoman of the Town of Wilmington; and

WHEREAS, she has chosen to accept the benefits of a well-deserved retirement;

WE, the Citizens of Wilmington assembled in Town Meeting, wish to mark this occasion with suitable commemoration for her selfless and devoted service which has contributed so much to the welfare of the people of this Town.

NOW, THEREFORE; be it resolved that the said Citizens of the Town of Wilmington do hereby present the said WAVIE M. DREW this Citation as an imperfect token of their respect, admiration, and high esteem with the hope that she will long enjoy the pleasures of retirement.

IN WITNESS WHEREOF, I hereunto set my hand and seal this 13th day of March in the year of our Lord, nineteen hundred and seventy-one.

JOHN M. CALLAN
TOWN MODERATOR

TWO MEMBERS OF: The Eastern Middlesex Board of Realtors exchange ideas and suggestions with Captain Larz Neilson, publisher of the Town Crier at "Meet the Press" night, a highlight of the Board's February meeting.

The discussion shown above took place at the Ship in Lynnfield on Monday evening, February 12th. Following the social hour and dinner, informal round table discussions brought newsmen and realtors together to share their views and ways in which to improve cooperation and increase understanding.

Mrs Gary Phillips

Miss Linda Marie Faiola, daughter of Mr. and Mrs. Roy Faiola of Lambert Dr., Groton, Conn., became the bride of Gary Phillips, son of Mr. and Mrs. Wallace Phillips of Ballardvale Street, Wilmington.

The candlelight service, was held recently in the Groton Gospel Chapel with Mr. David Ward officiating.

Given in marriage by her father, the bride was lovely in a gown of peau de soie and Alencon lace which featured a high rise waist, bishop sleeves and an attached chapel length train. Her headpiece was a face band created with lilac blossoms and a cluster of loops attached to a fourtier silk illusion veil. She carried a cascade of which carnations which were centered with an orchid.

Miss Joyce Faiola, sister of the bride served as maid of honor. Bridesmaids included: Miss

Sandra Daley of Gales Ferry, Conn., Miss Brenda Mansfield of Groton Conn. and Miss Faith Pepin of Norwich, Conn. Miss Paula Jean Faiola was flower girl for her sister.

Barry Phillips, served his brother as best man while ushering duties were in charge of James Rollins, Warwick, R.I., Lawrence Redding of Wilmington, and Duane Kellogg of Stratford, Conn. Ring bearer was Matthew Phillips, brother of the groom.

The bride, a graduate of Norwich, Conn., Free Academy, is secretary to the Dean of Students at Barrington College.

Mr. Phillips, a graduate of Wilmington High School, served with the U.S. Special Forces and is now a student at Barrington College.

TOWN MEETING From Page Five

tions were in answer to a question by Carl Noelke.

The Town Meeting also refused to appropriate money for the Special Census which has already been taken on order of the Secretary of State, with reference to 18-19 and 20 year old voters. The work has been done, and there is now no money to pay for it. The main questions were from Mrs. Anne Linnehan, and an explanation by Selectman James Banda that the expenses were incurred by order of the Secretary of State fell on deaf ears.

Instead of the \$4,250 requested the Town Meeting went back to the \$2,318 expenditure of 1970, on motion of James R. Miceli, selectman. Mrs. Ruth Kitchener told the meeting that the Registrars had just been voted a salary of \$1,000 and "let them use that". Selectman Miceli said that the money could be gotten from the Reserve Account, and Charles Mather of the Finance Committee then said that the Finance Committee could not vote money out of the Reserve Account, unless it was "unforeseen".

The Town Manager's salary came under attack, and one of those who spoke was Mrs. Degrazia of Richmond Street, a lady of kind and gentle mien, who complained that the Town Manager did not answer his telephone when she called. Mrs. Ann Rich of Allen Park told the meeting that there were approximately 700 people out of work, in Wilmington and wanted to know if it was fair that town officials ask for increases.

The sum allocated, \$24,698, also includes salaries for a clerk. Ralph Lux of Dadant Drive amended the sum to \$23,445, which was last years sum. He said that he didn't believe the Town Manager deserves a raise. Mr. Vitale urged the voters to "go back to 1970", and there were several points of order raised, after which Mr. Miceli said "I believe he is correct".

Dick Barry of the Finance Committee told the meeting that all the salaries shown were "existing salaries" except for longevity, and that all the projected increases could be found on page 10 in one article. In answer to a question by Robert Jackson the Town Manager said that all increases were effective on April 1 of each year, that is, after the Town Meeting.

A breakdown was requested by Barbara Delaney of Chestnut Street, and it turned out that the Town Manager's salary was \$17,600, and personnel and purchasing clerk was \$7,970.80.

Mrs. Rich arose again to say that there are people out of work who "pay his salary - who could lose their homes".

She was countered by Ann Linnehan, who said that Mr. Morris was "a good Town Manager - doing a difficult job". Applause greeted her statement. The motion to amend lost.

The meeting proceeded, with a line to line demand for explanations. Finally Arthur Smith of Woburn Street arose to say that the meeting was talking about "nickles and dimes" - "let's talk about capital expenses - that's the problem - tennis courts and so forth".

When the meeting to to the line Capital Outlay for the Town Hall Mrs. Kitchener arose and asked for a detailed account. She had, in the seat beside her, a copy of the Town Manager's detail budget, as she asked the question.

From that moment on the Moderator asked the TM to get up and explain every Capital Outlay item, as it appeared, until late in the evening, when, under Maintenance of Public Buildings the list kept on and kept on, and the Town Meeting got tired of hearing it read.

Planning Board Cut

Professional Services, in the Planning Board budget, was cut from \$11,000 to \$3,250 on motion of Selectman George Boylen.

Mr. Boylen told the Town Meeting that \$4000 represented services on the Avco computer, for an item labeled Capital Budget/Economist, and that he was also proposing a cut of an item labeled Engineering Fees, 15 days at \$250 a day.

The Planning Board was defended by its chairman, Bill Hooper, and by Selectman Banda, who said that the Selectman often use their studies, and he had learned, on a trip to Washington, D.C., that the only communities who get funds for planning are those with professional planning. Mrs. Linnehan spoke up, Mrs. McFeyden of Federal Street said that the Planning Board is doing a "great job", and Arthur Bureau of the Conservation Commission said that his commission sometimes cannot make proper decisions without Planning Board assistance.

Rodney Laughton of the Finance Committee told the Town Meeting that "this is the best 9 or 10 cents you ever spent".

The town sustained Boylen, and the cut was made, after which the Publisher of the Town Crier moved for reconsideration. Again the town sustained Boylen, 216 to 211.

Police Budget

The Wilmington Police Department Budget, now up to \$406,839, received a close scrutiny, and then was voted without change.

Among the things the voters were told: There are six sergeants, 23 patrolmen, 18 traffic policemen and 1 clerk. The people who participate in the Memorial Day parade are paid for their time. The current Capital Outlay budget calls for Riot Helmets at \$40 each, shields, shotguns, and two two-way radios for patrolmen at \$650 each. Policemen are on a forty hour week, with time and one half after 40 hours, and vacations are such that after twenty years a policeman gets four weeks off every year, by Town Meeting vote.

The Fire Department Budget drew less attention from the Town Meeting. The firemen are now on a 42 hour week, the meeting was told, and last year they were on a 48 hour week. Like some of the changes in the Police Dept., this was on a vote of the Town Meeting.

The \$3,000 allocated for Capital Outlay was for new fire-call boxes, the Fire Chief said. When asked why the Wilmington Fire Department did not use the Solid

HIGH SCHOOL PUPILS: Observing the Town Meeting.

State Technology boxes, a story of which was in last week's Town Crier, the Chief said he would use them "if we were starting from scratch".

In the Building Inspector's account, the extra \$3,000 in expenses, the Town Meeting was told, was for the demolishing of sub standard buildings. It is no longer allowed to burn such buildings.

Drainage problems, and the Town Engineer came under attack from Ralph Lux of Dadant Drive and Robert Clark of West Street. The Town Meeting was told that the Town Engineer was "not caring for our forgotten in the community", while Mr. Lux in turn was told that he had never been seen down at the Selectman's meetings with drainage problems.

Selectman Banda told the Town Meeting that he had "pleaded last year" for \$25,000 (for drainage) but was defeated.

TM Morris said that there were more drainage problems than money, and lead off a list of problems in drainage: Suncrest Avenue, Dadant Drive, North Street, Bridge Lane, Dobson Avenue, Federal Street, Phillips Avenue, Aldrich Road near Forest Street, Baker Street, Grove Avenue near D.A.V., Adams Street near Chandler Road, Shawshen Avenue culverts, Boutwell Street culverts and Andover Street culverts. After he had finished Lawrence Flaherty rose to say "Come down to Hobson Avenue and we'll show you water".

But there were no changes in amounts of money voted, nor were there any changes in road construction, after a long discussion of the intricacies of Chapter 90 Construction.

The mood had changed somewhat by the time the Town Meeting got to discussing the Tree Department. After Mrs. Digrazia arose to ask Tommy Sullivan about the Dutch Elm disease and Paul Duggan had some questions

OAK LEAF BUGS FALL ON MY HEAD: Complained Paul Duggan of Harvard Avenue.

"NOW WITH OAK LEAF SKELETONIZERS": Said Tree Warden Tommy Sullivan, and the Town Meeting enjoyed another laugh.

about the Oak Leaf Skeletonizer there were a few jolly laughs.

Tree Warden Tommy Sullivan didn't intend it that way, but he did provide a little comedy relief.

Rubbish

One and one quarter hours were spent in a discussion started by Paul Godzyk of Parker Street, and this half an hour after the Town Meeting had opened its discussion on garbage collection, and, the Town Dump.

The first half hour was spent in a discussion of garbage collection. Arthur Smith of Woburn Street proposed that the collection be combined with that of collecting rubbish, and further commented that the garbage collection was poor. He was joined by a few others.

James Durkee of the Board of Health "tends to agree in some cases of poor service - but in some cases the problems are with you. You don't dig out your walks you have frozen buckets with no handles".

He also told the town that "The farther away you push the pig farmers, the more expensive garbage collection will become".

Smith: You have to wrap up your garbage as though it was a present for your mother-in-law! He wanted Wilmington to join with other towns in a regional incinerator.

The cool voice was that of James Banda. He told the Town Meeting that an incinerator could cost a million dollars, that it meant having to join into an association. This was added advice by George Boylen that "it is sometimes better to go it alone".

Finally, at 8:44 p.m. it was voted to lay the garbage collection issue on the table, to discuss the dump. The vote was not popular with town officials.

Banda told the Town Meeting "there isn't a chance (to get another contract); and Jimmy Tighe rose to cite the costs of collection in Burlington "\$275,000". - "We are a lot better off".

It was at about this time that Paul Godzyk proposed that he collect rubbish from every family in Wilmington for \$20 a family, and that they put their garbage in with their rubbish, all to be disposed of in the Town Dump. The operator (Mr. Spinazola) would he assured the town, take it all for \$30,000 a year, if only rubbish trucks had to be cared for, and there was no Sunday operation.

TM Sterling Morris: This contract is for one year only. - If we are asking questions, remember this (dump) is for a limited number of years. The site - I am afraid that after this year will be no longer in the dump business.

We are shortly going to be in the dump business ourselves - the state will not allow us to combine garbage and rubbish. I have hopes that we can go into a Regional Solid Waste Disposal.

Mrs. Kitchener: That's another \$26,000 - (for this contract) - It's like putting in a shotgun.

Mr. Butterworth spoke of the land in South Wilmington which the town is proposing to acquire. "No more gravel to fill with - what are we going to do when we are 75 feet up on the side of a rocky hill? It will cost us \$225,000 a year. He (Spinazola) has lots of leaves and stuff to take

PAUL GODZYK: Presented a novel approach to rubbish and garbage collection, in his proposition to collect both at the same time, and transport it to the Town Dump.

care of now, and you people are not allowed to burn anymore.

After a few more minutes Charles Kelley of Clark Terrace asked about Godzyk's proposal. "Mr. Godzyk said to mix the garbage and rubbish. Why cannot we be a little ahead of the future and start now?"

There was talk of having another dump, somewhere else. Banda commented: "Any land fill must be four feet above the water table - our houses are under water - where are you going to find any high land?"

After a few moments Godzyk took the floor. It was shortly after nine p.m.

He told the Town Meeting he could talk for Mr. Spinazola, and that Spinazola would serve the town for \$30,000 a year, if there were no Sunday work, and no delivery by householders. Otherwise the price would be \$60,000 a year.

For \$20 a year per household, and \$30,000 for Spinazola the town would save a lot of money, Godzyk said. He did not mention who would pay the twenty dollars a year per household.

"Accept it if you are smart - Clem Spinazola will accept \$30,000 and I am speaking for him - if you keep private cars out of the dump."

Mr. Banda wanted to postpone discussion. The Moderator said the Selectmen wanted more information, and Miceli said the contract is already signed.

Gillis: Over 5000 homes in Wilmington at \$20, plus \$30,000 for the dump - that's greater than you pay now!

Dick Barry: If Mr. Godzyk is serious, let him show up at the Selectmen's meeting and make the proposal. Finally at 9:30 p.m. the debate was cut off. \$50,000 was voted, as scheduled, for the dump, and \$25,580 for garbage

the Town Meeting to revert its nickel pinching attitude, and enlarge the budget for the Recreation Commission, so that three more baseball umpires could be hired.

Her plea was straightforward, and was joined by Bill Fay, former Little League President, who said it would be 8 cents on the tax rate.

Mrs. Stewart's husband is the chairman of the Finance Committee. When Harry Stewart was asked for comments he had but one: The Finance Committee recommendation is as published.

Finally, at 10:43 p.m., Pete Enos moved to recess to next Monday, and there was another subject to discuss, move, amend and re-amend.

John Brooks wanted to continue until 11:30 p.m. so the School Committee budget could be voted. Bruce MacDonald wanted to continue to 11 p.m. and then start again next Saturday. Time went on and on. The clocks were close to 11 p.m. when McDonald finally moved to amend the amendment to the amendment, and streamed out of the building. It was 11:03 p.m.

Veterans Aid was next on the schedule The Town Meeting continued.

Three Umpires

Mrs. Charlotte Stewart of the Recreation Commission provided a change in pace. She persuaded

NO AMERICAN FLAG NEEDED: Mrs. Wavie Drew, former Selectwoman, chose to sit by the side of the Town Meeting. While the Town Crier camera was snapping this picture, School Committeeman John Brooks said, in an almost snarl: "Why don't you take her over to the American Flag - then we can include that too!"

Sheet vinyl and linoleum both have the good wear and maintenance qualities of vinyl tile, with the further advantage of almost seamless application. Many types of sheet vinyl have resilient backings for underfoot comfort.

Linoleum is an economical and long-wearing floor material. Both sheet vinyl and linoleum are installed over the same underlayment materials used for tile, although felt underlayment may be substituted.

Any sheet material will require professional installation for a good fit, however.

Frosh and Sweetheart gain Tourney Wins

The Recreational sponsored basketball tournament got underway on Tuesday night with a pair of opening round games. In the lid lifter, Coach Bib Milley's freshmen quintet topped Coach Ken Cleary's MYF Saints, 53-32 to move into the semi-finals. Sweetheart Plastics rolled over the Golden 1's, 87-43 in the night cap.

The Frosh will battle the Bulls in tonight's opening game at 6:30, while Sweetheart taps-off against Newhouse Construction at 8 o'clock. Their were a pair of games played last night involving Ernie's Gas and D & D Gulf, along with the Hackers-Wildcats encounter.

The tourney continues next Tuesday at the high school gym with another doubleheader listed. The Bucks and the Wildwood Globetrotters tapping off at 6:30 in the younger boys division, while at 8 o'clock the Faculty All-Stars coached by Jim Gillis and led by Gino DeSarcina and Bob Milley will play the winner of the Ernie's - D & D game.

The highlight of Tuesdays twin bill was the colorful attire of Bob Cassello's quintet. The Golden 1's were clad in bright gold shirts and head bands, but they did not have the manpower to stop a determined Sweetheart team, which suffered through a winless (0-12) town league season.

The Town Meeting will probably be fair to the employees. It has already resisted one attempt to cut employees wages, made by Selectman Miceli last Saturday.

Support for this appropriation will strengthen the hand of the Town Manager, in his dealings with Town Employees.

Warrant Articles

Last week a few of the articles to be discussed by the Town Meeting were subject to comment by this column.

What was said then still holds good - with perhaps two exceptions. 1. The town does have an agreement to purchase the old cranberry bog mentioned in the discussion of Article 18, but the article will probably be passed over anyway, to save a couple of cents on the tax-rate. 2. The statements attributed to Danny Gillis, in the discussion on apartment housing were wrongly attributed. Apologies to the gentleman. It was a lady - Mrs. McKie, who made the statements, and she was careful to put a caveat in her statement about next June.

In any event the town has now been waiting for eight years for an answer.

Several other articles will probably be passed over - Article 11 is one. This concerns the Woburn Street by-pass. It will come up again, with a better description, at a later Town Meeting.

Articles 18 and 19, having to do with a Youth Commission, will also probably be passed over. That will save forty cents on the tax rate without any trouble at all.

There will probably be an attempt from the Town Meeting floor to cut down on articles to be purchased - as for instance trucks etc., in Article 5. If the Town Manager agrees - Okay. If he doesn't - stick with the Town Manager, even if some Selectman tries to chop him to pieces.

It is rumored that there will be an attempt by a Selectman to stop action on Article 9, which proposes to purchase the last of four buildings on Grove Avenue, needed to extend the Town Beach.

If such an attempt is made it will be (1) Penny Wise and Pound Foolish - when so much has been spent, to halt proceedings and (2) just an attempt to save the property of some personal friend from East Boston or East Oshkosh. Don't let it happen.

There may also be attempts to hack up the street acceptance program. As proposed everything on street acceptance seems fair and equitable, and should be passed as such.

Lastly, one of the places where there may be some fun will come up under Article 41. The land is in an area that is subject to flooding, and the neighbors are fully prepared to speak out against the rezoning to be proposed. Right or wrong, such neighborhood pleas generally get the sympathy of the rest of the voters, so it seems the article will have a rough time.

MORTGAGEE'S SALE

By virtue and in execution of the Power of Sale contained in a certain mortgage given by William B. Strong, Jr. and Gloria F. Strong, husband and wife, to the Stoughton Co-operative Bank, dated August 10, 1965, and recorded with Middlesex North District Registry of Deeds in Book 1719 at page 456, of which mortgage the undersigned is the present holder, for breach of the conditions of said mortgage and for the purpose of foreclosing the same, will be sold at Public Auction at ten o'clock in the forenoon on Tuesday, the sixth day of April 1971, on the premises, all and singular, the premises described in said mortgage to wit:

The land, with the buildings thereon, situated in Wilmington, Middlesex County, Massachusetts, situated on the Southerly side of Wilton Drive and being shown as Lot 10 on a plan of land entitled "Subdivision of Land in Wilmington, Mass. Owner: F & H Realty Trust of Medford, Mass., A.J. Canon, Surveyor and C.E., June 24, 1967" duly recorded with Middlesex North District Registry of Deeds in Plan Book 89 as Plan 46 and being further bounded and described as follows: Northeasterly by Lot 9, as shown on said plan, 328.27 feet; Southerly by land now or formerly of the Lowell Cranberry Co., 133.75 feet; Easterly again by land of the Lowell Cranberry Co., 138 feet; Southerly by Lubbers Brook, 34 feet; Westerly by land now or formerly of Manuel Santos and Manuel Enaro 119 feet; Southwesterly by land now or formerly of Leonard and Alice Chisholm, 342.68 feet; and Northerly by said Wilton Drive by four courses measuring 28.24 feet, 104.19 feet, 35.79 feet, and 54.64 feet, respectively. Containing 62,254 square feet of land according to said plan.

Being the same premises conveyed to us by Peter E. Kraus and Barbara J. Kraus by deed of even date and to be recorded herewith.

Said premises will be sold subject to any unpaid taxes, tax titles, or other municipal liens or assessments, if any there be.

Terms: \$500.00 in cash, certified check or bank check at the time and place of sale, balance in ten days thereafter at office of said mortgagee bank. Other terms to be announced at said sale.

Townwide Religious

Census March 28

The Town Wide Religious Census is in the making and the committee members met on Feb. 22nd to discuss the many aspects of this "Evangelistic Trust".

It was decided at the meeting that all homes in Wilmington would be contacted. Previously there was discussion to give each Church the names of people in their parish and let them fill in the census for known members of their own church.

Mr. Phelan, Chairman of the Census Committee commented that if it was a city wide census it should be just that.

Churches in the area will announce the census to their members and will be able to furnish questions and information to their members.

Volunteers will be asked to give a few hours time to gather and coordinate the information and Mrs. Anne Linehan, 658-5288 will be glad to pass your name into the committee as a helper.

Remember the date, Sunday, March 28th.
